Dear All

We understand that families suffering a bereavement may have concerns about the cost of a funeral. In recognition of this, we always try to minimise any changes to our fees.

However, like any business or household we are not immune to rising costs and the last three years proved to be a very challenging period. Across our network of 45 crematoria, our operating costs have increased by 20 per cent since 2020.

We have tried, as much as possible, to absorb this significant cost inflation, at the same time as maintaining the same standard of service and facilities that we know you and your clients appreciate. Sadly, however, we do not feel that the measures we have taken to date are sustainable in the longer term.

We have therefore made the difficult decision to increase some of our fees. These fees will now be all-inclusive, meaning it is no longer necessary for us to apply a separate fuel surcharge.

From Monday 12 February 2024 our fee for the attended/full-service cremation service will be £1150.00

Our fee structure continues to provide a choice of different price levels so families can access high quality facilities at a price that fits with their budget.

The "off-peak"/early morning service remains at a discounted fee of £730.00

The cost of an unattended direct cremation has remained unchanged since it was introduced in 2018 but will now increase by 3 per cent to £550.00

Thank you for your understanding and continued support.

Yours sincerely,

Andrea Todd
